(9) Yes. The petitioners may be informed as proposed. Apart from the circumstance that Chingleput is central, situated so far as the talugs comprising the Revenue Division are concerned, & that therefore is convenient to locate here the office of the S.D.O. & the Court of the Sub Magte, there is nothing else to commend it. Chennapatna is on the Railway, has a larger population & is altogether a more important & thriving place than Chingleput. Further there is a Railway at Chennapatna while there is none such at Chingleput. So there is a great deal to be said in favour of Chennapatna as well. But as the decision of Govt. has been announced it is advisable to adhere to it. I think

Sir,

We, the Citizens of Doddaballapur most humbly beg to approach you with this our humble petition and beg leave to submit as follows:-

1. That we had petitioned to you and also waited upon you in a deputation with a prayer that, under the Scheme for Separation of the Judicial and Executive functions, a Special Second Class Magistrate's Court be located at Doddaballapur with jurisdiction over the Taluks of Doddaballapur, Nelemangala and Devanahalli and were promised a favourable consideration.

2. That even though the time for giving effect to the Scheme as published in the Mysore Gazette of May last has been fast approaching no action seems yet to have been taken as a result of a favourable consideration of our humble prayer.

3. That as the Munsiff's Court here has jurisdiction over the Taluks of Doddaballapur, Nelamangala and Goribidanur, the location of the Special Second Class Magistrate's Court here would not only create facilities for the litigant public seeking redress at the hands of Courts of justice but would also obviate the difficulties and inconveniences that would inevitably result in effectuating

effectuating the Scheme as at present proposed but would also tend towards the speedier disposal of Civil as well as Criminal Cases and would thus save the people of the three taluks from what would otherwise be a ruionous litigation bringing in its train vexation and difficulties too numerous to be mentioned.

4. That we learn that the Chief Court has recommended or proposes to recommend the removal of the Munsiff's Court from Doddaballapur to Bangalore.

5. That Doddaballapur is a flourishing town with a population of about 8,000 people and of growing industrial importance initiated and promoted under your aegis.

6. That the Taluk of Doddaballapur is not only central with reference to its geographical situation to the Taluks of Goribidanur, Nelavangala and Devanahalli but that it is also an extensive one with an area of .... square miles.

7. That the townsmen of Doddaballapur and the people of the four taluks of Nelavangala, Devanahalli, Goribidanur and Doddaballapur were subjected to untold difficulties brought about by the Administrative Experimental measures of the location and abolition of the Munsiff's Court from time to time and by the transference of the Civil jurisdiction of the Taluks to the Courts of Bangalore and Chikkaballapur,-an unhappy disturbance of the well considered and far-seeing policy of late Dewans Mr. Rangacharlu and Sir P.N. Krishnamurthy of honoured memory. That in consideration of the representations made by us regarding the difficulties and inconveniences referred to above, You Sir, as the head of the administration

administration with the gracious approval of our benign and beloved Maharaja, after a careful consideration of the history and fortunes of the Courts were pleased to direct by a publication in the Local Official Gazette (as per G.O.No.I 3421/222-11-9 dated 9-5-1913) that a Munsiff's Court be permanently established here. We therefore humbly pray that you will kindly consider the grievances set forth here and most graciously continue the policy inaugarated by you with reference to the Civil Court here.

8. That the location of a Criminal Court at Bangalore with jurisdiction over the Taluks of Doddballapur, Nelavangala and Devanahalli would, instead of creating facilities for the poor people to redress whose grievances the present scheme has been so very sympathetically evolved, make justice not easily accessible to them and would allow them to be troddem down by a few rich and unscrupulous men which your Government with its ingrained ~~feelings~~ principles of Democracy has been so very justly seeking to cut down.

9. That the removal of the Civil and Criminal Courts from Doddaballapur would considerably belittle the importance of this town while it would in no way contribute towards the importance of the City of Bangalore.

10. W H E R E F O R E we, people of Doddaballapur, Nelavangala, Devanahalli and Goribidanur pray that you will be graciously pleased to establish permanently the Munsiff's and Magistrate's Courts at Doddaballapur and for this benevolent act we, as in duty bound shall ever cherish with respectful memory your administration.

We humbly beg to remain,

PROTECTION BRANCH. 30 NOV 1918

Honoured Sir,

With due deference and humble submission, we the citizens of Channapatna beg leave to lay our grievances before you hoping that they will be redressed and justice be administered to us.

You are aware that Channapatna one of the most important towns of Mysore yeilding a large revenue to the State is a great commercial centre. The Railway Station of the place in spite of several complaints to the Railway authorities lacks in a suitable building which is in proportion to its heavy imports and exports. There is -- neither a first class nor a third class waiting room nor is there a spacious parcel room. In mango season our trade greatly suffers for want of space to place mango bundles which are exported not less than five hundred a day. Besides if there be any rains in the season, all the bundles taken to the station are drenched, and our trade greatly suffers.

Therefore Sir, may we anticipate that you would be good enough to take steps for the extension of the station building before the mango harvest.

Another fact which deserves your kind consideration is want of a Munsiff's court for this taluk. Since not less than hundred cases a month are reported to the Munsiff's Court at Bangalore, we suffer not only the railway expenses in these dreary days of famine, but also are often influenced by the epedimics prevailing there.

In

In consideration of economic burdens and other difficulties, it would be a boon to our taluks, if our petition be favourably considered. To crown all these, Your petitioners feel it a heart-rending news to learn that the existing Magistrate's court is to be removed from here in consequence of the separation of executive and judicial departments. It is beyond our comprehension how a magistrate can satisfactorily take up the work of four taluks viz., Chennapatna, Thankhanahalli, Magadi and Closepet, when we consider that our local Magistrate has failed to cope up with the work of our single taluk. Especially your petitioners find it a great draw-back to go to a place much less healthy than their's for every single case, and beg to suggest that if the Government have thought the scheme to be a cure, the cure may aggravate the malady, as far as our taluk is concerned. Since the removal of the court from here (where already factions of ruffians exist) to a far off place, will lessen the fear of proper justice among this ruffian population of this particular town. Moreover the Government is adding insult to injury, in as much as it has arranged for the removal of the present court when the want of an extra court is greatly felt.

Sir, will you be good enough as to reconsider the schemes, and order the location of the Second class Magistrate's Court at Chennapatna.

Praying for a favourable consideration of our petition.

We beg to remain,

Honoured Sir,

Your most obedient servants,

Will your Highness be so good as to reconsider the schemes and order the location of the second class - - - Magistrate's Court at Channapatna.

Praying for your Highness's favourable consideration of our petition.
